

Secret Christmas Project

The
Arc
of the Mid Ohio Valley

Seeing The
Possibilities;
not the
disabilities!

Secret Christmas is a project in which individuals, clubs, and departments of businesses and churches provide gifts and cookies for adults and teens 13+ yrs old, who have intellectual, cognitive, or related developmental disabilities, and who have a demonstrated financial need with little, or no, family support.

Last year this project provided Christmas to 152 individuals who are above the age for assistance from other community programs, yet they have need for a special care package at Christmas. The majority of those served, live in special home settings and demonstrate extreme financial need, with little or no outside support to cover their clothing, grooming, transportation, and social needs.

If you would like to help us with this project, please complete the following information and return this page to the address at the bottom.
